INTRODUCTION

The **VTech® Sleepy Time Travel Mobile** is a wonderful mobile for babies on-the-go. Featuring soft twirling animal clouds, a glow light and soothing music, this mobile will calm baby into a peaceful slumber. Including a clamp and detachable claw, it will easily attach to most cots, pushchairs and baby carriers.

INCLUDED IN THIS PACKAGE

- Mobile
- 3 Detachable Animals Clouds
- Detachable Claw for On-the-Go
- Electronic Module
- Mobile Support Post
- Quick Start Guide

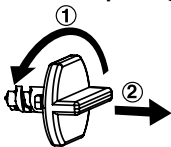

WARNING

All packing materials, such as tape, plastic sheets, packaging locks, removable tags, cable ties, cords and packaging screws are not part of this toy, and should be discarded for your child's safety.

NOTE

Please save this Instruction Manual as it contains important information.

Unlock the packaging locks:

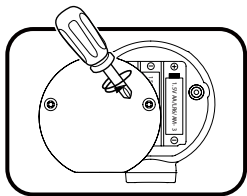

- ① Turn the packaging lock anticlockwise several times.
- ② Pull out and discard the packaging lock.

GETTING STARTED

BATTERY INSTALLATION

1. Make sure the unit is turned **OFF**.
2. Locate the battery cover on the back of the electronic module. Use a screwdriver to loosen the screws.
3. If used batteries are present, remove these batteries from the unit by pulling up on one end of each battery.
4. Install 3 new AA (AM-3/LR6) batteries following the diagram inside the battery box. (The use of new alkaline batteries is recommended for maximum performance).
5. Replace the battery cover and tighten the screw to secure.

WARNING:

Adult assembly required for battery installation.

Keep batteries out of reach of children.

IMPORTANT: BATTERY INFORMATION

- Insert batteries with the correct polarity (+ and -).
- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon-zinc) or rechargeable batteries.
- Only batteries of the same or equivalent type as recommended are to be used.
- Do not short-circuit the supply terminals.
- Remove batteries during long periods of non-use.
- Remove exhausted batteries from the toy.
- Dispose of batteries safely. Do not dispose of batteries in fire.

RECHARGEABLE BATTERIES:

- Remove rechargeable batteries from the toy before charging.
- Rechargeable batteries are only to be charged under adult supervision.
- Do not charge non-rechargeable batteries.

Disposal of batteries and product

The crossed-out wheellie bin symbols on products and batteries, or on their respective packaging, indicates they must not be disposed of in domestic waste as they contain substances that can be damaging to the environment and human health.

The chemical symbols Hg, Cd or Pb, where marked, indicate that the battery contains more than the specified value of mercury (Hg), cadmium (Cd) or lead (Pb) set out in Battery Directive (2006/66/EC).

The solid bar indicates that the product was placed on the market after 13th August, 2005.

Help protect the environment by disposing of your product or batteries responsibly.

VTech® cares for the planet.

Care for the environment and give your toy a second life by disposing of it at a small electricals collection point so all its materials can be recycled.

In the UK:

Visit www.recyclenow.com to see a list of collection points near you.

In Australia & New Zealand:

Check with your local council for kerbside collections.

DEMO TAG

The demo tag should be removed automatically when the product is taken out of the packaging. This will activate normal play. If the demo tag is still in position, please remove the plastic strip from the back of the product before placing on a cot, pram or baby carrier.

With the **Sleepy Time Travel Mobile**, safety comes first.

- Attach this toy out of the reach of your child. To prevent possible injury by entanglement, remove this toy when your child starts trying to get up on to their hands and knees in a crawling position.
- Age range of mobile - Birth to 5 months.
- The mobile is intended for visual stimulation and is not intended to be grasped by a child.
- Always attach all provided fasteners (strings, straps, clamps, etc) tightly and according to the instructions. Check frequently. Attach only to cots with sturdy rails, spindles or sides.
- **WARNING:** Do not use this mobile on cots or travel cots with fabric sides.
- **WARNING:** When using on car seats make sure that the mobile is above your child's face height.
- Do not add additional strings or straps.
- To ensure your child's safety, this product should be assembled by an adult.
- Ensure you use the correct attachment and secure the mobile correctly according to the instructions.
- **NEVER** use this product in a motor vehicle. Death or serious injury can occur from hard objects in the event of a motor vehicle accident.

ASSEMBLY INSTRUCTIONS

To ensure your child's safety, adult assembly is required. Please ensure that the cot attachment clamp is securely locked into position to avoid injury. Follow the instructions below carefully and make sure that the final assembly is correct.

1. Attach the mobile to the bottom of the electronic module. You will hear the mobile click into place when inserted correctly.
2. Attach the mobile support post to cots with rails that are between 1.02cm and 3.4cm wide. Twist the green sleeve to tighten the clamp to the cot rail. Pull slightly on the support post to make sure the clamp has been securely fastened. Please check the support post frequently to ensure it is still secure.
3. Attach the electronic module to the support post by pressing the small green button on the support post while sliding the electronic module onto the support post. Check to make sure the electronic module is attached securely to avoid injuries.

4. To attach the animal clouds, loop the rope through the holes in the leaves and hook in place on the inside of the leaves.

5. To use the mobile as a travel mobile, remove the electronic module from the mobile support post by pulling gently on the electronic module while pressing the green button on the support post.

6. Thread the velcro like attachment strap through the slot on the top of the electronic module, then secure the velcro like attachment strap together.

7. Use the velcro like attachment strap or the claw attachment to attach the mobile to baby carriers and prams. Always check to make sure the mobile is attached securely to avoid injuries.

PRODUCT FEATURES

1. Off / Mode Switch

To turn the unit **ON**, slide the **Off / Mode Switch** to the **Turning Mode** (👶) or the **Stationary Mode** (👶) position. To turn the unit **OFF**, slide the **Off / Mode Switch** to the **OFF** position.

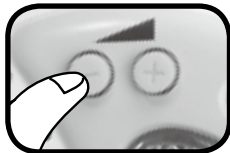

2. Timer Switch

Slide the **Timer Switch** to the 10, 20 or 30 minute position.

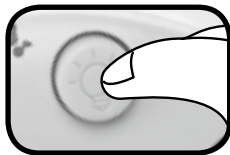

3. Volume Buttons

To adjust the volume, press the **VOLUME +** and **VOLUME -** buttons.

4. Night Light Button

Press the **Night Light Button** to turn the night light **ON** or **OFF**. This feature only works when the mobile is connected to the mobile support post.

5. Sound Sensor

The **Sleepy Time Travel Mobile** is equipped with a special sound sensor. To preserve battery life, the sound sensor will only function when the mobile is connected to the mobile support post. Once the selected time setting has ended, the unit will automatically power down. The sensor will reactivate the program when it detects your baby's cry for several seconds without interruption.

6. Automatic Shut Off

To preserve battery life, the **Sleepy Time Travel Mobile** will automatically power down after the selected time has ended. The unit can be turned on again by pressing any button.

Note: If the unit repeatedly powers down quickly or the light up button fades out, we suggest changing the batteries.

ACTIVITIES

1. Off / Mode Switch

Slide the **Off / Mode Switch** to turn the unit on. You will hear a soothing phrase followed by relaxing music. Either set the mobile to the Turning Mode or the Stationary Mode.

2. Light Up Button

Press the **Light Up Button** to change to the next song or melody. Hold down the light up button to hear a short tune. The light up button will fade in and out with the sound when the electronic module is removed from the mobile support post.

38. Goodnight Ladies
39. Alouette
40. Toyland

SONG LYRICS

Song 1

Hush, little baby, don't say a word.
Mama's gonna buy you a mockingbird.
And if that mockingbird won't sing.
Mama's gonna buy you a diamond ring.

Song 2

Sleep, my child, and peace attend thee.
All through the night.
Guardian angels I will send thee.
All through the night.

Song 3

Row, row, row your boat.
Gently down the stream.
Merrily, merrily, merrily, merrily.
Life is but a dream.

CARE & MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat sources.
3. Remove the batteries when the unit is not in use for an extended period of time.
4. Do not drop the unit on a hard surface and do not expose the unit to excess moisture.
5. The songbirds are hand washable. Please remove the electronic module and follow the care instructions on the label.

TROUBLESHOOTING

If for some reason the program/activity stops working or malfunctions, please follow these steps:

1. Turn the unit **OFF**.
2. Interrupt the power supply by removing the batteries.
3. Let the unit stand for a few minutes, then replace the batteries.
4. Turn the unit back **ON**. The unit will now be ready to play again.
5. If the unit still does not work, replace with an entire set of new batteries.

If the problem persists, please contact our Consumer Services Department and a service representative will be happy to help you.
